

# CHAMBER FOUNDATION

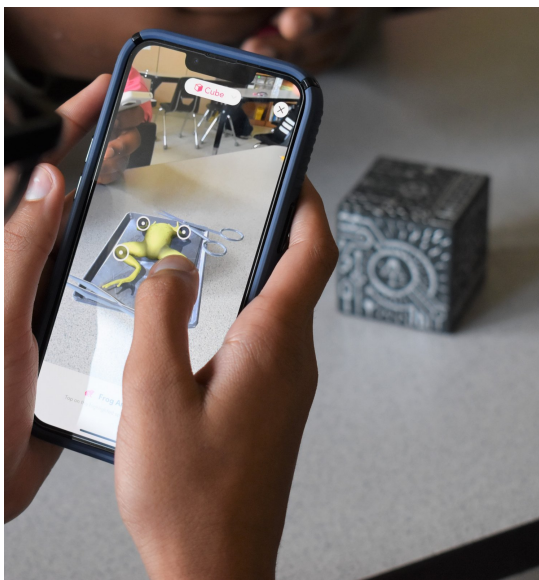

## QUATERLY NEWSLETTER

DECEMBER 2021

### CONNECT WITH US

In January 2021, the Brunswick-Golden Isles Chamber of Commerce launched the Brunswick-Golden Isles Chamber of Commerce Foundation.

The Foundation's key strategic areas include Workforce Development, Leadership Development, and Diversity, Equity, and Inclusion.

### CHAMBER FOUNDATION PLACES STEM KITS IN LOCAL MIDDLE SCHOOLS

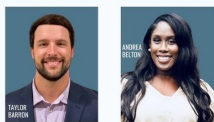

The Brunswick Golden Isles Chamber Foundation purchased 120 STEM Kits which includes: Merge AR/VR Headsets, Merge Cubes, and subscriptions to Merge EDU for all (4) Glynn County Middle Schools that will directly impact 2,962 middle school-aged children. The equipment will allow them to explore both virtual and augmented reality while teaching them STEM concepts.

Pictured in the photos are students from Glynn Middle School utilizing the equipment to perform a science experiment. Also included is photo a middle school student from Needwood Middle School utilizing the AR/VR headsets in science class.

## Leadership Glynn

**2020-2021 Leadership  
Glynn Co-Chairs:**

## LEADERSHIP GLYNN PROGRAM ENHANCED

The Foundation sponsored (10) minority candidates into the 2021-2022 Leadership Glynn Class to help make our future leadership look more like the community in which we live, work, and play, and to further our mission of becoming more diverse, equitable, and inclusive.

Pictured is a group photo of all members of the 2021 class.

The secondary photo was taken at the Second Harvest Food Drive in November 2021 where members of the Leadership Glynn class participated in the distribution of over 500 meals to our community.

## CONNECT GLYNN EXTERNSHIP ACADEMY CREATED

Creation of the Connect Glynn Educator Externship Academy that was designed for educators to observe and interact with local companies while gaining real world industry experience from a number of the major employers in Glynn County to shape our future workforce needs.

Connect Glynn will be held January 31 - February 2nd, 2022.

Year 1 of the academy will host 20 participants who are teachers from the Glynn County School System.
